Seattle Staycation

Lighten-up the holiday rush with a local staycation in downtown Seattle at the Grand Hyatt. Take a stroll through downtown Seattle all-dressed up for Christmas time, take in some shopping, or simply kick back and enjoy the sites and sounds. The Grand Hyatt is only a 10 minute walk from Pike's Place Market and a short ride to Century Link or the Space Needle - offering endless opportunities to explore, play, or relax. Enjoy this two night getaway along with a gift certificate to the infamous and delicious Ruth Chris Steakhouse!

Item #: L02
Soaring Experience for 4 People

Do you enjoy sight-seeing? Do you have an adventurous spirit? If so, be the lucky recipient of four "Soaring Ride" vouchers to be redeemed with Puget Sound Soaring Association in Enumclaw, WA. What is soaring? Soaring is the act of sustained flight without the assistance of any type of manmade propulsion. What to expect? After a pre-flight safety introduction, you and your commercially-rated pilot will be towed aloft. Once several thousand feet in the air, you will release the towline and the unique thrill of soaring flight. Be prepared for amazing views! Afterwards, enjoy a delicious meal at The Mint Restaurant and Ale House!

(Please note due to the weight and balance limitations of the gliders, passenger weight is limited to 240lb maximum.)

Topcon RL-H4C Self-Leveling Laser Package

This Topcon RL-H4C multi-purpose laser is a great tool for grading, excavating, and general construction projects with its ability to match slopes. This instrument has the power and range to cover a 2600 ft. diameter jobsite. It is easy to use as it goes to work in seconds by hitting the Power Button. If the equipment gets disturbed on the job, it will relevel itself automatically. The overall accuracy ranges from +10 to -10 arc seconds and has a rotation speed of 600 RPM. Don't forget that it is "jobsite tough" by being dependable in all types of weather, including Seattle's heavy rain! Add this great instrument to your construction equipment list! (Aluminum tripod and 8' grade rod included.)
